The high cost of living, which reaches from an increase in the price of sox to shares will have to keep on cluding to maintain an even break with the number of building permits issued in Total daily.

PRICE FIVE CENTS

VOL. XII, NO. 68

TULSA, OKLAHOMA, MONDAY, NOVEMBER 27, 1916.

TOO, WILL WAIT LIKE W. WILSON

Too Early Now to Talk About Mexican Conference Protocol.

NATIONAL MEETING BRINGS ON A FUSS

American Divorce Laws to Be Studied by the First General.

QUERETARO, Mexico, Nov. 26,-QUERETARO, Mexico, Nov. 28.—
General Carrinza told the Associated Press today it was too early to discuss the statement given out Friday by Secretary of the interior Lane at Atlantic City concerning the balley of the inited States toward pudding with checolate same. Lane at Atlantic City concerning the policy of the United States toward Mexico. In the statement Mr. Lane, who is chairman of the American commissioners, asserted his belief that Carranaz was a strong man and should be given a "full chance" to settle Mexlean differences.

General Carranza also stated hewould not comment on the Atlantic City protocol until Mexican Commis-sioner Alberto J. Pam arrived here with a copy of the agreement and treply had been sent to the United States.

States.

High Mexican officials who are here to attend the constitutional convention are still awaiting the full text of the border control profocol and the full text of Secretary Lanc's statement defining in part the policy of the United States government toward Mexico before they will make any comment or either. ment on either.

Some Against It.

There is evidence, however, that news of the protocol and of Secretary Lane's statement has been received with mixed feeling. There seemingly is satisfaction that an arrangement has been reached for the withdrawa of the American troops from Mexico and for the control of the border, but his is interested by the feeling, that this is tempered by the feeling that Secretary Lane's statement Will require deep consideration. The terms of the protocol mentioning a delay of forty days for the windrawal of the troops, if conditions permit of such action, is adversely commented on income quarters as many influential.

to any prediction as to when this to any prediction as to when this might occur and even questioned the purely military advantage of possession of Fucharest, with its thousands to feed, when the same result might be accomplished by gradually decimating the Russian army, he left not the slightest doubt in the minds of his heavers that he considered it a possibility of the immediate future. General von Falkenhayn was reti-cent as to the probable length of the Rumanian campaign, on the ground that the continued spring-like that the continued spring-like weather might hasten the end, while even one sharp cold spell might

lengthen it materially. He appeared supremely confident of the ultimate result. He paid the Rumanian soldiers the highest compilments upon their desperate bravery and discounted stories of cowardice or inefficency on the part of the Humanian officers.

WELL SET.

That is the way a dining ta-ble should be—well set, but it cannot be so without the serv-ices of a competent waitress. It ice of a competent waitress. It is not hard to get such girls, if you know how to go about II.

Just write a little World Want Ad asking for the girls who are looking for such jobs to come to your house, and you can then make a selection.

That is the way the modern housewife engages her help—thru the World Want Columns.

GEN. CARRANZA DIET SQUAD GAINING ON FORTY-CENTS A DAY

BUT THE PAPERWEIGHT SHOWS GAIN.

ifter Fourth Day On the Diet An Increase of Five Pounds Is Shown.

CHICAGO, Nov. 26.—There was a net gain of five pounds in the aggregate weight of the 12 members of the diet squad today after their fourth day of living on a prescribed menullimited to cost 40 cents a day.

The dozen who are trying to demonstrate that nourishing and satisfying meals can be supplied for that amount began a two-weeks' test last Wednessiay morning and today were strong in the belief that they have slready had proved the contention.

Six of the 12 showed gains in weight despite a restricted diet. Two were unchanged while the losses, except in the case of Dr. A. J. Stokes, the heavyweight of the squad, all were under the content of the squad, all were under the pound each. Doctor Stokes, who weighed 223 1-4 pounds before undertaking the experiment, has lost 2-1-4 pounds. The greatest gain was by Horghild Halvorsen who began with 148-1-2 pounds and has guined

STEAL AUTO BUT END CHASE IN A WRECK

Police Find Stolen Car Hanging From River Bridge; Thieves Gone.

A man and woman, supposed to have stolen a Ford car from Main street at 9 o'clock last night, were street at 3 o'clock last night, were subjected to a sudden interruption in their plans to get away when the stolen car suddenly vanited over the side of the Arkansas river bridge and was caught by one of the beams. The passengers were uninjured and escaped identification by those who wit nessed the near catastrophe.

About 7:30 last night the night sergeant at the police station was informed that Charles A. Swabb's car had been stolen from Third and Main. The motorcycle police started out

had been stolen from Third and Main. The motorcycle police started out and trailed the stolen car over part of the city, but later the chase was given up. Later in the night a call was sent in that a car had been driven over the side of the bridge. When the police arrived they found the car hanging from the bridge and the occupants missing. People who were near said that a couple dressed in dark ciothing had deserted the car and started back toward Tulsa. The police could find no clew as to the identity of the people in the car. The officers pulled the auto back onto the bridge and brought it to the station, where they identified it as the one stolen earlier in the evening.

HEAVYWEIGHT LOSES A POUND DOLLARS WENT INTO COFFERS

Gain of Almost \$100,000,000 Shown in Revenue Business.

CIGARETS HELPED TO BOOST THE FUND

Bootlegging, Too, Was Responsible for an Evasion of the Taxes.

W ASHINGTON, Nov. 26,—More than \$500,000,000 was turned into the federal treasury during the fiscal year by the national revenue bureau. Commissioner Osborne's annual report, made public nitonight, shows that receipts broke all records

shows that receipts broke all records with a total of \$512.723.288 or \$97,-000,000 more than last year.

Corporations paid \$56.972.721 and individuals \$67.943.596 on account of the income tax, an increase of almost \$18,000,000 for corporations and \$27,-000,000 for individuals. There was an enormous increase in collections from manufacturers of cigarets. Production of distilled liquors increased, and, altho output of fermented liq-uors fell off during the early part of the year, a steady increase followed.

Discover Frauds,

"Bootlegging," or illegal sale of liquer, the report says, continues un-abated and will continue until there is a more hearty co-operation of to-cal officers in the various states. Gi-gantic frauds against the revenue Next Meeting Place and evasions or commissions of tax have been uncovered during the past three years, evaded taxes discovered approximating \$50,000,000. Of this amount more than \$22,000,000 was assessed as unpaid taxes, about half

being corporation taxes.

Commissioner Osborn recommends that the personal income tax law be amended so as to require returns of annual gross income of \$2,000 or over instead of annual net incomes

Are Against Conscription,
NEW YORK, Nov. 26.—Resolutions opposing conscription in Ireland
and recommending immediate operation of the home rule act, were adopt,
ed here today at a special conference
of the United Irish League of America. It was pointed out that one thousand recruits are volunteering daily
in Ireland and that out of a population of between six hungired thousand in Ircland and that out of a popula-tion of between six hundred thousand and seven hundred thousand men available for military duty, 160,000 recruits already had been obtained.

I cordon's Ashes Buried.

SANTA ROSA, Cal., Nov. 26.—The ashes of the late Jack London, the California author, who died Wednesses day night, were buried today on a hillside of his Glen Ellen ranch. The original intention was to scatter the dust ever the land he loved, but by Mrs. London's direction, a concrete receptacle was prepared in the hillside and there, without ceremony in the presence of Mrs. London, a few neighbors, and the employes of the ranch, the urn containing the ashes was placed and the receptacle sealed.

Big Lumber Fire.

ALEXANDRIA, La., Nov. 26.—Five million test of hardwood lumber valued at \$250,000 and five boxcars containing cotton and miscellaneous shipments were destroyed by a fire which originiated in a barn near the Ferd Brenner sawmill vards here early today and burned 18 hours before it was extinguished. Shifting of the wind and liberal use of dynamics prevented the flames spreading to the sawmill.

HALF A BILLION SHE'S TIRED OF HOME FARMERS GAVE TO HER

BURAL LIFE AND PROSPECTS OF A FORTUNE CANNOT HOLD HER TO FARM.

Fruit Lures Her Back to the City.

AMBOY. III. Nov. 25.— Mary Smith, the pretty Chicago girl who was adopted by James Pankhurst, a wealthy farmer and his wife August 13, 1915, with the understanding she was to remain single and act as a companion to the aged couple and receive \$10,000 upon their death, has grown tired of the bargain and will return to Chicago next Monday.

I grown tired of the bargain and will return to Chicago next Monday. "Money isn't everything in this world," she said today. "I want the right to live as I please. Somebody clse's money and somebody clse's rules cannot give me that I am tired of farm life and want to go tack to the city to stay. I am just crazy for a baked sweet petato and some grapefruit. I have not tasted either since I came here. Uncle Jim and Aust Lou'se were kind to me, but another home is not your ova. I expect to home is not your ova. I expect to have a home, a home of my own
